Roland-Garros-TV. Happy birthday my best friend! Happy birthday my
very best friend. I would like so much that every person on Earth had a
person close to him in Soul. I can't imagine what I would do without you.

You are my soul, you are my heart, you are my mind. You are my
support and my closest friend. I love you! I don't understand how
you can not love someone at all, because you are the whole meaning of
my life! Thank you for everything! Happy birthday
