Kim Kardashian has informed her fans that she is carrying the twins she was expecting with husband Kanye West during an Instagram post on Wednesday (December 12). The 33-year-old mom-of-three said: "I have been carrying these little monsters since I was 4 months pregnant!" She posted a picture of herself holding one of the newborns, but didn't reveal what they weigh – unlike where it came from. Photo: Instagram "In case you were wondering, these little humans weigh 20 lbs combined," she wrote. Kim has been sharing photos of the family since the very beginning of her pregnancy back in June, including a series of intimate family moments. She also recently gushed to Alyssa Milano's fans about her upcoming birth. Kim recently released her second annual intimate book A Year in the Life, which contains over 400 pages of beautiful pictures of her family. She also recently released a candid video interview with her sisters, Khloé and Kylie Jenner, during which the sisters discussed their family's Thanksgiving meal. The Keeping Up With The Kardashians star also revealed that she was currently living in a temporary apartment and just started renovating the space. In May, Kanye admitted
