We are a made in America corporation with over 25 years experience in the design, development, manufacturing, and marketing of quality utility and industrial equipment. BlueBarrel Industries, LLC is a contract manufacturer of utility and industrial equipment specializing in the manufacture of products used for the construction, extraction, and recycling of materials and the production of energy. We're concerned that several of the technical specifications for the various NNTP protocols simply don't match up with reality. This is particularly true in the case of the recently-proposed RFC 2301 "Fast" NNTP protocol, and the (predictably stupid) NNTP
