Away From the Dark Away From the Dark is the extraordinary story of Nick Dixon and his struggle to regain his place in society following the heartbreaking loss of his young daughter. Set in the present, it unfolds in an extraordinary one-man show about life, death, redemption and hope In the now vanished Alaska gold fields of 1900s Alaska Nick Dixon (LaBeouf) works as a hard-man prospector. He lives in a tent with his young son and weaves together a yarn about the eternal quest for gold and a gold capsule containing the remains of his wife, and her secrets. Unaware that his memories of his wife (Arrieta) are haunted by a painful past, Dixon accidentally treads on the surface of a gold deposit. When this unearths a past secret, it has consequences that threaten to tear his life apart and expose his deepest desires. ### What's New in the?

ScatterShot3D is a Sony Vegas Pro plugin for producing end-to-end composites in 3D. This plugin allows you to script and prepare a project for 3D Compositing. The plugin doesn't require a special calibration for 3D Track Motion or it renders your 3D track motion in soft body simulation or a proxy 3D. The tracking curves and parameters in the plugin can be customized to your needs. By using the ScatterShot3D plugin you can: \* Edit 3D track motion from a 3D timeline \* Adjust the tracking curves and parameters to your needs \* Wire the timeline clips in ScatterShot3D to 3D objects (Sessions) and pages with the Add-On "3D Path to Objects" \* Click on an object in 3D view and its clips will be added to a 3D monitor to you \* Render the 3D Preview \* Render 3D \* Export 3D \* Import 3D \* Work in 3D soft body simulation \* Work in proxy 3D (uses a combination of animations and cameras).
