
Descargar Mdt 5.3 Crack

VERSION 5.1.3. Release date 10/04/2021, sp135640; Added support for Windows 11 v21H2. Added support for Windows 10 v21H2. Changes the /Operation command line option. Added /Command command line option. Added 'Mask ' function for agent name masks. By default, agents whose agent name mask is specified in the /Command parameter will not be displayed in the list. The mask function allows you to specify an agent mask to be used instead of the agent's real name. The mask feature does not work in the agent console. If the console agent is installed, the mask function may not be fully used.
