I also thought "to the future" from the sims 3 was really smart, the bots that your sims could modify, the hoverboard, meeting the "future" versions of your family was really... This is one of those questions which will never get a response because the "next version" never exists Yes. When you create a new Sim, a message appears saying "Your house will be built in a week if you want it. If you do not want, you can cancel the construction of the house. This year the house will be built only if you wish to do so. You cannot return to the previous year. You can't have your house built next year.
