This is a completely legitimate video game save for the fact that the available digital content will vary from region to region and possibly non region to region. Since Nintendo hasn't announced anything public regarding the game launch or a western release, this thread is just for discussion / tips / tricks / whatever on how to get you items for digitalworks. Game availability will be different in the US, Mexico, Japan, Europe, Russia, Australia, etc. In most cases, you will need to download the game from the store website on your console. If you don't have a'store' account, you will need to get on to the store website on your console (Nintendo, XBox, PS, Wii, DS, etc) and download the game. There are many ways to do this: You can purchase it directly, get it free, or via a downloaded download (maybe for a friend). You can start to look up everything you need on this Google+ post: Here is a list of what items you may need: * Â£1.30 Bonus Nintendo Points (If you don't have them already) * Â£4.00 Bonus US Points (If you don't have them already) * Â£5.00 Bonus European Points (If you don't have them already) * Â£15.00 Bonus Japanese Points (If you don't have them already) * Â£5.00 Bonus Russian Points (If you don't have them already) * Â£5.00 Bonus European Points (If you don't have them already) * Â£4.00 Bonus Russian Points (If you don't have them already) * Â£3.50 Bonus US Points (If you don't have them already) * Â£5.00 Bonus Australian Points (If you don't have them already) * Â£5.00 Bonus Korean Points (If you don't have them already) * Â£3.50 Bonus British Points (If you don

Tools.Femdom Female Overlords All ladies at SlaveClub are hand-picked to be your ultimate playthings. They bring true compliments as they are known to be the best of the best. Whether you are looking for a hot wife, a hot Mistress or even a hot slave; they are all in this site. The ladies are all fully equipped to have you cumming back over and over again. They will do whatever you tell them to for however long you want them to so that you are not disappointed by your time. Femdom Female Overlords Worshiping, soft ballbusting and fisting all whilst wearing pretty panties and high heels. For some what is better is knowing that you are doing the choosing. You are in control of all they do and they are always at your command. This means that you have them obey you no matter how you want them to whether it is by being ordered about in a slave way or to fulfil your personal fetishes in a new way. It is a good way of making sure they treat you right and you will be grateful. They really do work hard for the rewards you have given them. You will be satisfied with nothing less than a slave and well trained - they know what it is to be bought and paid for and it is all that you want to give them. You don't have to be disappointed as their bodies are built to your liking. They are willing to be your very own little slave girls. Why would they do that? We're talking about going on record and naming a specific individual. ~~~ no_gravity Why would they do
