Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. A Vast World Full of Excitement A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. Create your Own Character In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. An Epic Drama Born from a Myth A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. Unique Online Play that Loosely Connects You to Others In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others. NEED TO KNOW BEFORE YOU GAME Elder Scrolls Online is a massive online game where hundreds of players are simultaneously fighting on the same map through PvP. This allows us to develop new game-play and encounter events with ease. In addition, there are many types of content, such as social actions (share and take pictures), crafting, crafting items, alchemy, and market, where players can engage in a variety of activities. In addition to PvP, there are a variety of social actions for you to enjoy. To make the most of your time, we plan to introduce new content every week, such as weekly events where you can compete for a special reward. Furthermore, there are daily items, rare items, and special items that are beneficial to your character. 1. You can only battle against other players in PvP. 2. The account that you use to play Elder Scrolls Online and other Bethesda Game Studios games can be used to play Elder Scrolls Online and any other games. 3. Elder Scrolls Online is not a free-to-play game. 4. You can play against other players who have the same game account using asynchronous online elements. 5. Asynchronous online elements are not shared between Elder Scrolls Online and other games. 6. You can not take part

If you want to work and study at the same time, or to do a project for you, there are many versions of Microsoft Office which also allow you to develop. Whether it is a simple spread sheet, a rich Excel program, a large printing, or the presence of the data from other sources, you can get all these features and more when you work in the Microsoft Office Excel. In this program, you can also get the tools for converting data. As the statistics and figures can often be very diverse, having the ability to analyze this data is also important, so you can apply it into your programs, etc. Of course, there are many features in Excel, but if you can not find what you are looking for, you can always find a manual for using them. This is not the only version of Microsoft Office, but also there are many versions of other programs. From the perspective of design, the modern design is a great thing, but if you are new to a program like Excel, you can search the manual for help.
