AIR RAID - you have to play as a pilot. It's one of those games that can be classified as an "effort" - the values are limited, and your plane will fly off over the cliff after the boss if you do not use it. But there are other planes that you can get here, and you can have a duel with the best enemies around the world, so this is one of the few games in which you really need a good flying skills and patience. This is how to play: - left click - maneuver the plane, - shift + right click - to shoot a bomb, - mouse wheel - to zoom, - space - to fly over a stone.

IMPORTANT - You can no longer control to breathe: Press E to stop. STOCK - You can turn off Ads.
