The Elder Scrolls Online is the next installment in the award-winning Elder Scrolls series of online role playing games, bringing the incredible worlds of Skyrim and ESO together. Players can choose from six distinct races, and explore six unique regions of Tamriel, a massive online world that is continuously expanding. Players must choose from one of six distinct races to enter a massive open world where they can adventure in the wilderness, navigate sprawling cities, and discover forgotten ruins and dungeons. From my YouTube channel you can go to (for Twitter) to learn more about Fire Emblem content or a blog post with the content of the week ((for Twitter) In this video I demonstrate the popular tactic of castle soak, wherein a player/allied neutral character's units are sent to fortify a castle nearby until the battle is over, at which point he retreats with his castle's troops. It takes advantage of the fact that neutral units won't be injured by powerful attacks and only needs a bit of time for buildup before the battle, that the castle's troops can defend it from incoming enemies, and that his units' reattachment speed can sometimes be faster than the units' retreat speed. A castle reather lacks attack power but has a high defense power. In other words, they are strong when the enemy

YOUTUBE CHANNEL: EBOOK LINK: DISCORD SERVER: JOIN THE TOUR: WATCH MY OTHER CHANNELS: cremaster MC : Mojang! Let's Play! : Sketch: Welcome to the 3rd episode of the Looking for Group series! In this episode we review two new games from the Elden Ring! The first is War of Ashes and the second is the new fantasy action RPG, Rise, Tarnished! TABLE OF CONTENTS - Looking for Group - Find a group of like-minded people to play your games with. Epic - The highest level you can achieve. Endgame - The difficult end game of the game. LINEUP - Our list of games we are reviewing. NEWGROUNDS - What your character can do, and how they can get a certain skill. Sharing with you all - A common monster mechanic used in the games. Recommendations - What we think you should play. Explanations - Explanations about the game and how you can improve. COMMENTS: War of Ashes is a rather strategic game with just a small amount of realtime. You control your characters movement and task them with killing the enemies. In this instance the enemies are "flame bodies". Combat is fairly simple - there are three stat categories to increase, and your character will level up with them. You can also invest points in perks to further bff6bb2d33

Love it or hate it? There's sure to be one very familiar feeling if you've been consuming them for a while. I can assure you, they are not just one-hit wonders, you'll be becoming addicted to these smart plants pretty soon. Naturally nutritious, full of omega fatty acids, fiber and antioxidants, infused with bold bursts of gorgeousness, Chia seeds are destined to be your staple garden herb. Addictive, in fact, Chia Seeds are surprisingly stress-free, relatively easy to grow and also one of the most well-kept secrets in the garden with amazing health benefits for you and the planet. So whether you're a newbie or a seasoned grower, here are fifteen ways to enjoy Chia Seeds, both in your meals and in your home. Chia Seeds are super Soft and fluffy with the look of grains, Chia Seeds are a super sustainable addition to the kitchen. Chia seeds are best grown with sun and at a dry location, but don't fear the heat! Being partially water-soluble, Chia Seeds will quickly absorb moisture when watered or soaked in water. That means you can do it up like an outdoor sauna at 20 degrees C and end up with fluffy and soft Chia Seeds in a few days! Perfect for gardeners with limited balcony space. Chia Seeds are nutritious High in fiber, protein, iron and calcium, Chia Seeds are also jam-packed with omega-3 fatty acids for stress relief, energy, weight loss and healthy vision. Some researchers have found that Chia Seeds can decrease risk of colon and breast cancer, stroke, diabetes and mental wellness. Chia Seeds help you grow If you're a gardener, then know that Chia Seeds are natural inoculants for your plants. For maximum benefits, grow Chia Seeds in a dark, moist environment during the autumn and winter, in an open tray or in a pot. I have found that it's best to sprinkle Chia Seeds over another soil, such as Bioplant or coir, or use as a potting medium for seedlings. Chia Seeds are deliciously healthy They**
