Rise: A Tarnished Lord is the new fantasy action RPG developed by Flyhigh Works, creators of the critically acclaimed game Vindictus. The game is currently in development for PC and is scheduled for release in the early summer of 2015. Players, please visit our website (and register your interest in Rise for the latest updates and information about the game. You can also learn more about Flyhigh Works by visiting Key Features: 1. An Epic Multilayered Story Players will take on the role of the Tarnished Lord who lives in the Lands Between, a land filled with secrets and mysteries. The story is told through both a personal narrative and a familiar fantasy format. The game is based on the classic fantasy novel titled "The Eye of the World". This story is one of the largest-scale fantasy literature with 10 volumes, published in the early 19th century. As the story unfolds, players will become entangled in the complexities of the growing power struggle between the Magus, the Knights of the Elden Ring, and the Dark Elden. Through these events, players will experience a grand drama brimming with emotions. 2. Relive the Shadowy World of Vindictus Flyhigh Works has been making games with a strong emphasis on the unique fantasy atmosphere, so players will be able to enjoy and relive the world of the popular Vindictus once again. The world and the characters of Vindictus are seamlessly transferred to the new setting of the Lands Between. You will also be able to personalize your character design as you choose from among more than 100 different races and classes. With powerful weapons, armor, and items at your disposal, you will explore the vast lands of the Lands Between as you fight against the ruthless Dark Elden and their allies. 3. Customize your Story by Completing Quests Players will be able to fully customize their character and destiny as they explore the Lands Between. Players will be able to freely customize their character from when they are established, including the appearance, background, race, class, and name. You can create your own unique character story by successfully completing quest lines. This system allows players to experience an incredible amount of freedom in regards to the overall story of the game. 4. Spect

What's new in Elden Ring:

If magic were to be a tool for creating happiness in life, A wizard comes forth, and into his hands shimmers. And by force binds it with a sticky force, molds it with love, and hones it with kindness. Weaved together all the elements, A potion made of these ingredients, which in turn has the power to feel good. Rather than drink it with your mouth, hold it in your hand. Reap its benefits, and pour it into the hands of the loved ones, this can only be a blessing. Of course, a wizard's work is never done. An Alchemist's work—In putting to glass, the essence of life. Taking the good the bad, and the ugly, the beautiful to mold into a Spirit. An artist's work- A beautiful photo shot from behind a lens. Holding his hands close, The eyes touch, all emotions, expressed in a line. Holding her lips close, An artist holds close to gently a tiger, that is not only a beautiful creature, but a gift of a lifetime.

The beginning of a new generation of Pokémon, the forebears of trainers who will be together to fight in the frigid lands of Frostburg. Conviction is born from a strong strength, you will become a dragon, and defeat the Bird Army. High Rankings Await You, so put your team together and Vanish to the next generation. Begin your adventure as you venture out to a land in which a brave cry echoes in the wind.

Top-Three Defense Impedes BSU Falls in OT Westwood, CA—With the offense struggling to gain any traction, and the defense unable to generate any decent offense of its own, the men's basketball team fell for the second consecutive contest, losing Wednesday afternoon, 71-62, to Claremont-Mudd-Scripps in the annual "Lucky 13'." The Colonels (1-1) opened the game on a 10-0 run and took a 30-22 lead into the first media timeout of the game. After a layup by Westwood's guard Tre Scott, the Bulldogs (1-1) fought back into the game with a 14-2 run to tie the game at 32-32 on a layup by a player named Don. The Colonels

System Requirements:

Visual Novel Game Pixel Art / Art Style: Somewhat minimalistic, but reasonably detailed and colorful. I'm not sure what the power level of this game will end up being, but the game shouldn't be bad for a simplistic shmup. **Programming:** Low level, not much coding. The game is more or less just a visual novel game. **Gameplay:** The basics of the genre. This game is heavily inspired by the original Arcade mode of Final Fantasy III. As the player makes choices
