Tarnished is a fantasy action RPG for PC. The story of Tarnished is comprised of 10,000 years of mythology told in fragments. In the Lands Between, which are carefully and powerfully preserved, a tumultuous drama unfolds. You, a young man called Tarnished, are a new character with a powerful will. During the course of the game, you will obtain the Elden Ring Cracked Accounts and become a new lord in the Lands Between. ■ Story — The casting of the Elden Ring is the promise of a new world. — The world of the Lands Between, which is closely guarded by the White Lions and their pre-cursors, can be entered by anyone. — During the course

of this world, a new drama, unknown to most, has already begun. — Tarnished Tarnished is a young man who will become a lord in the Lands Between. He has been summoned for the casting of the Elden Ring, the promise of a new world.

Along with the people who have been summoned, he embarks on a journey through the Lands Between that will change his life forever. — When he embarks on his journey, he will be guided by grace. ■ World — The Lands Between

— The Lands Between is a non-Elden-occupied world that is closely guarded by the White Lions. It is a world of greed. —

In the Lands Between, there is a wide variety of scenery, from large cities and towns to simple villages. — White Lions — In the Lands Between, the White Lions are people who have devoted themselves to the Elden Ring. — In the beginning, they established a society called the “Great Ones.” The Great Ones gathered in one place and formed the White Lions as a party to protect the Lands Between from
