We're told that this video of McQueen in the 1976 classic "Bullitt" was dropped accidentally in a folder with the name on it and, it was later discovered that no one inside the production company knew the video had been shot. To watch the video, all you have to do is watch out for the "Bullitt" logo. They don't even bother to remove it before sending it to the high-res version of the film for its Blu-ray release on Aug. 7. McQueen's last feature film before he retired was "Deadpool 2," which he directed. McQueen was a true visionary and his influence will be felt for many generations to come.Q: Need to have date of birth as MM/DD/YYYY in output I am writing a SQL query which will give me the date of birth in MM/DD/YYYY format.
