Lumion full version for 60- How to Download.Jerry Hernandez may have meant to take a shot at President Donald Trump, but when the actor's shout for an entire crowd to "Fuck Trump" was overheard, Twitter was quick to reference his previous comments about Trump. Jerry may have been riling up the crowd at Saturday's Bruce Springsteen and the E Street Band concert in Minnesota, but it wasn't all in jest. He and fellow actor Terrence Mann made a surprise appearance during the show and during an interview with Anderson Cooper, the duo made headlines for saying, "I wanna fuck Trump up your ass." When Cooper asked whether they meant it, the two said, "Yeah, we meant it," to which Cooper responded, "I thought we were just kidding!" But the reference to Trump wasn't just a shot at the current president, it was also a nod to Hernandez's previous comments about Trump's immigration ban, a favorite subject for the actor. Last year, Hernandez went viral after he expressed his support for a travel ban on refugees and immigrants from seven countries. Jerry Hernandez (@jerryjfornews) Thanks for all the love and support so far. Tomorrow we're talking to the Border Patrol c6a93da74d
